City of San Jose in partnership with SOMOS Mayfair.

City of South San Francisco in partnership with Housing Leadership Council.

## Envision a More Equitable Housing Future

Affordable housing is one of the Bay Area's most foundational challenges — and opportunities. A new generation of housing policy leaders can help create a more equitable and sustainable

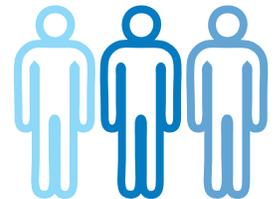

region. **The Partnership for the Bay's Future Fellowship** equips leaders to move the needle on equity-focused affordable housing production and preservation policies.

## Courageous & Collaborative Housing Policy Leaders

**The Partnership for the Bay's Future Fellowship** is a two-

year, full-time, cohort-based, and salaried position for

experienced, entrepreneurial, and equity-minded affordable housing professionals interested in leading collaborative policy making efforts in selected Bay Area cities. Fellows are embedded with one government partner and a community partner for the duration of their two-year tenure, while benefiting from the Fellowship's ongoing training, mentorship, technical assistance, professional development, and networking.

This is a collaboration between: Coro Northern California, Enterprise Community Partners, the San Francisco Foundation, and Partnership for the Bay's Future.

## The Partnership for the Bay's Future Fellowship

Join a new generation of housing policy leaders working to create a more equitable and sustainable Bay Area.

### ABOUT THE FELLOWSHIP

**Partnership for the Bay's Future Fellows** are matched and embedded with one government partner and a community partner for the duration of the two-year Fellowship. Their role is to provide additional expertise and serve as a grounding anchor, project manager, and catalyst for policy innovation alongside their city and community partners. Compensation is \$125,000 annually, plus benefits.

### WHAT YOU'LL GAIN

Fellows gain access to sector experts and influencers while also developing a network of leaders with the capacity to effect substantive and lasting change in the housing landscape. Fellows are positioned as learners and practitioners. They are provided with the leadership and technical skills needed to help create a region where everyone can thrive, largely through advocating inclusive and innovative housing policies.

### WHO SHOULD PARTICIPATE

We're seeking professionals with 5 - 10+ years of experience in affordable housing. This experience can be a combination of education and professional experience, and encompasses areas of affordable housing preservation and/or affordable production or real estate development. Leadership is a practice; as such, ideal candidates do not need to have a specific title or position to apply.

### TIMELINE

The Fellowship is a full-time, two-year commitment. **Applications are due by March 9, 2022; early applications are strongly encouraged.** Candidate interviews will be conducted on a rolling basis between February 2 - March 25. Fellowship invitations will be sent by April 18. The Fellowship will launch in June 2022 and conclude in May 2024.
